Donations made to FACES Dog Rescue: Janet September, Marjorie Wood. Mark & Donna Brunton, Susan Mosley. Our thanks to all for their caring and generosity.

Princess. Chihuahua/Terrier Mix. Adopted on 4/5/13 to a lady from Agawam. Looks as if it will be an excellent match. Retired and lives alone so dog will get lots of love and attention. Also experienced and will be taking pup to Adult Good Manners Classes which will help the dog understand expectations of her owner. Princess (now Nina) will be 2 years old in June. Once again looks as if this is a match made in heaven.

Rabies Clinic and Pet Supplies in West Springfield. Was held on Sunday, April 7 and was a success and the response was excellent. Had about 30 animals who received their shot and we brought in \$ 150.00 for our organization. Out sincere thanks to Pet Supplies for sponsoring the event and Dr. Nancy Owens, Vet from the Northampton Animal Clinic who supplied the vaccines and administered the shots. We had all sizes and breeds who came to the event and happy to say ALL animals behaved very well and were not aggressive. A credit to their owners.

"The Power of Pets". Have a brief article here that I want to share with you re: the Effect that pets have on our lives. Article by John Sklare, Ed.D, Personal Coach. Really very moving article. He summarizes it by saying he wants to give kudos to those precious animals that touch and shape our lives and homes by bringing love, loyalty, companionship and pleasure to our very existence. In many ways, they provide the perfect antidote for the chaos, roughness and distress that the world doles out daily. Their presence changes us for the better and soothes us in ways like nothing else can.

We were pleased to have two new people at our meeting this evening and we surely hope they will return. Both were very interested and took part in all the discussions.
